

Head Quarters Cambridge May 27th 1775
Sir —

We have just rec^d Intelligence that we have
a Number of Men upon Hog Island that are
attended by the Regulars. — Our Party consists
of about 600 Men: & 2 Field Pieces have just
been forwarded to them. — They have sent
for Reinforcement but it is thought prudent
not to weaken our Camp any more. — Our
Men have all been ordered to be in the greatest
readiness this Night. — I doubt not your Camp
will be in the same readiness — There
have been great Movements in Boston
this Day: — they have view'd Arms &c &c —
I am Sir in haste
